

Canadian Lifestyle

Living in the City

- prices are often lower
- multicultural, many immigrants
- lively cities and rapid population growth

Living in the Country Side

- agriculture, fishing
- big wildlife, cold weather
- big towns are often far away

Sports

- hockey, curling, skiing, snowboarding (in winter)
- lacrosse, baseball, basketball, football (in summer)

Cuisine

- English, American, French, Inuit and Chinese influences
- maple syrup, bannock, poutine (fries & cheese curds)
- beer, ice wine

Environmental Awareness

- avoid littering
- 88% percent are „actively participating in a recycling program“
- 33% use public transportation once a week or more often

Lifestyle Differences between Canada and US

Canadians...

- like to travel more
- are slightly more academic
- use less TV and internet
